

Sabrina Tsakona Twiss

UEC Management Board member Candidate

Brief Presentation

Professional & Sports Leadership Background

With over **25 years of leadership experience** in **financial management, strategic planning, and governance**, I have successfully led high-level initiatives across the **Telecom, Energy, and Public Sectors**, specializing in financial oversight, stakeholder engagement, and regulatory compliance.

Beyond my corporate expertise, I have dedicated my career to **cycling governance and sports administration**. As **General Secretary of the Hellenic Cycling Federation (HCF) since 2022**, I have led institutional reforms, strengthened financial transparency, and played a key role in modernizing the Federation's operations. Additionally, as **President of Panerythraikos Athletic Club**, I oversee the development of elite teams in **basketball, volleyball, and cycling**, fostering athlete development and community engagement.

Why My Candidacy Matters

With extensive experience in **cycling governance, financial leadership, and strategic planning**, I am committed to **advancing European cycling and strengthening the role of the Union Européenne de Cyclisme (UEC)**. My **international perspective**, combined with my governance expertise and strong network within the sport, enables me to effectively advocate for the interests of European cycling.

As a **dual national (Greek and Dutch)**, I bring a unique ability to **bridge regions, foster collaboration between federations, and ensure that UEC's voice remains strong and influential**. If elected to the **UEC Management Board**, my focus will be on **reinforcing UEC's role within the global cycling community, promoting policies that drive the development of European cycling, and working towards a more sustainable and inclusive future for the sport**.

I am honored to put forward my candidacy and look forward to contributing to the continued growth and success of European cycling.

Yours sincerely,

Sabrina Tsakona Twiss
