European Cycling Union (UEC)
Maison du Sport International
54, Avenue de Rhodanie
CH – 1007 Lausanne

Dear Mr. President and Members of the Board of Directors,

I am writing to formally present my candidacy for a position on the Board of Directors of the European Cycling Union. With extensive experience in sports—particularly in cycling—and a proven commitment to advancing the sport at both national and international levels, I am confident in my ability to contribute meaningfully to the Union's mission.

Through my involvement in sports as an athlete, Head of a Cycling Club, President of the Cyprus Cycling Federation, Member of the Executive Committee of the Cyprus Olympic Committee and former Vice President of the Balkan Cycling Union, I have had the opportunity to be involved in shaping development strategies, promoting sports ethics and strengthening cycling.

Professionally, I have held senior positions of responsibility, where I gained valuable expertise in organizational management, stakeholder collaboration, and addressing complex challenges.

The European Cycling Union's priorities align with my values and vision to enhance participation, sustainability and innovation in cycling. If honored with the opportunity to serve, I pledge to dedicate my knowledge, experience, and passion to strengthening the Union's structures and advancing its strategic objectives.

Yours sincerely,

Georgios Georgiou
President of Cyprus Cycling Federation
