Endorsement of candidacy of Mr Robert Slippens

Dear Presidents and Secretary Generals,

Following the UEC's call for nominations for the UEC Management Committee, I have the pleasure to confirm the wholehearted support of the Netherlands Olympic Committee \* Netherlands Sports Confederation (NOC\*NSF) for the Dutch candidate, Mr Robert Slippens.

Robert Slippens, as the current vice president of the Royal Dutch Cycling Federation (KNWU) and a well experienced cyclist, is truly committed to further development and promotion of the sport.

We at NOC\*NSF, worked closely together with Robert over the last years and we experienced this passion for sport, his ability to bring people together and his powerful contributions to the development of the sport.

Due to already twenty five years of extensive experience in the sport, in all kinds of positions, we are convinced that Robert Slippens as member of the UEC Management Committee would be of great value for the international sport and the UEC in particular.

Thank you for your consideration and please accept my humble regards.

With kind regards,
