

Candidate for the UEC Management Board and UCI Management Committee

ANDRIY GRIVKO (UKR)

Andriy Grivko had a 15-year career in first-division professional teams, consistently placing in the top 100 of the world rankings. He took part in the world's most prestigious cycling races, including the Tour de France. He is a 7-time Ukrainian National Time Trial Champion and participated in multiple World Championships, twice finishing 5th. He competed in three Olympic Games and was a European Games Vice Champion.

He currently serves as the President of the Ukrainian Cycling Federation.

"I am enthusiastic about the development and direction of cycling initiated by David Lappartient, Rocco Cattaneo and Enrico Della Casa. With my extensive experience in cycling as a competitor and administrator, I am confident that I can contribute to the upward progression of our beloved sport.

My vision is one of balance: to help consolidate and maintain established structures while also promoting measured and sustainable growth of cycling across Europe.

I look forward to working collaboratively to advance the goals and values of European and global cycling"
