

Brief Presentation of the Candidate for the UEC Management Board and UCI Management Committee – Andriy Grivko

Background and Professional Cycling Career:

Andriy Grivko, born on August 7, 1983, in Zuya, Ukraine, is a distinguished figure in the world of cycling, both as a former professional athlete and as an administrator. Throughout his career, he has made significant contributions to the sport at national and international levels.

- **Professional Teams:** Rode for Domina Vacanze, Team Milram, ISD, and Astana Pro Team (2010–2018).
- **National Championships:** Six-time Ukrainian National Time Trial Champion.
- **Olympic Participation:** Competed in the 2008, 2012, and 2016 Olympic Games.
- **European Games:** Silver medalist in the 2015 European Games road race.
-

Leadership in the Ukrainian Cycling Federation:

Since assuming the presidency of the **Ukrainian Cycling Federation in 2019**, Andriy Grivko has played a pivotal role in the development of cycling in Ukraine. Over the last six years:

- The Federation **organizes approximately 50 national competitions annually** across Olympic and non-Olympic disciplines, covering various age categories.
- Ukrainian athletes have achieved **European and World Champion titles**, demonstrating the country's growing strength in international competitions.
- A major milestone was Ukraine's **bronze medal at the Tokyo 2020 Olympic Games**, marking a historic achievement in cycling.

Involvement in European Cycling Administration:

- Member of the **UEC Road Commission**, working to develop and promote cycling across Europe.
- Actively involved in **advancing cycling policies** and fostering opportunities for young riders.

With extensive experience as both an elite cyclist and a sports administrator, Andriy Grivko is committed to the continued growth of European cycling and ensuring strong representation for national federations within the UEC.
