

Mr Enrico Della Casa
UEC President

Warsaw, January 27th, 2025

Dear President,
Dear Enrico,

Please accept my candidature as European representative for the UCI Management Committee. It would be a honour to continue my mission on your side and represent the European confederation in the UCI Management Committee for the next 4 years.

As recommended in the mail dated December 24th 2024 concerning the 2025 UEC Congress and the elections to be organized on that day in Bratislava, you will find in attachment of this letter my updated curriculum vitae, a brief presentation, a copy of my passport and my 2024 – 2025 licences.

Since my election in 2017 as Vice-President of the UEC, it has been an honour to be on those different Boards and Committees to defend our values and develop cycling internationally but also protect the position of our European federations.

I look forward to seeing you at the next UCI Management Committee next week during the UCI Cyclo-cross Worlds and in the meantime I remain at your entire disposal.

With my best regards,

Agata Lang - Lelangué
